**Introduction**

**Description of AAFAF**

The Puerto Rico Fiscal Agency and Financial Advisory Authority (“**AAFAF**”) is an independent public corporation and governmental instrumentality with separate legal existence, fiscal and administrative autonomy, and independence from the Government of Puerto Rico. AAFAF was created for the purpose of acting as fiscal agent, financial advisor and reporting agent of the Government of Puerto Rico, its agencies, instrumentalities, subdivisions, public corporations and/or municipalities (hereinafter collectively referred to as the “**Government**”), and to assist such entities in confronting the grave fiscal and economic emergency that the Commonwealth of Puerto Rico (the “**Commonwealth**”) is currently experiencing. AAFAF has assumed the majority of the fiscal agency and financial advisory responsibilities that were previously held by the Government Development Bank for Puerto Rico (“**GDB**”).

AAFAF’s powers include, among other things, sole responsibility to renegotiate, to restructure and/or to reach an agreement with creditors on all or part of the public debt or any other debt issued by any government entity. AAFAF also has authority to monitor compliance with the budget certification and tax plans approved under the Puerto Rico Oversight, Management and Economic Stability Act of 2016 (“**PROMESA**” or the “**Act**”) and to review matters such as, but not limited to, contracts, transactions and regulations of agencies and instrumentalities of the Government. AAFAF is authorized to hire professionals to carry out certain of its duties.

The activities and responsibilities of AAFAF are separate and distinct from those of the Financial Oversight and Management Board for Puerto Rico (the “**Oversight Board**”), which was established by PROMESA.

**Summary of the GDB Restructuring Support Agreement and Request for Proposals**

On May 15, 2017, AAFAF, GDB and certain financial creditors of GDB entered into a Restructuring Support Agreement attached hereto as Exhibit A (the “**RSA**”). The RSA provides for the organized, comprehensive and consensual restructuring of GDB pursuant to Title VI of PROMESA. Certain capitalized terms not defined herein have the meanings ascribed to such terms in the RSA.

Pursuant to the RSA, certain financial creditors of GDB will exchange their claims against GDB for one of three tranches of bonds issued by a new public trust and governmental instrumentality formed pursuant to a Commonwealth statute (the “**Issuer**”). Such new entity will be capitalized by certain assets of GDB, which will be transferred into the new entity at or prior to the closing of the restructuring transaction. The RSA provides that servicing obligations on such transferred assets will transition from GDB to a new servicer on or before the closing of the restructuring transaction.

Pursuant to the RSA, a collateral monitor will be engaged to monitor the activities of the servicer and the condition and performance of the New Bond Collateral and provide a certification report semiannually. AAFAF is seeking submissions from entities interested in acting as collateral monitor. Before responding to this request for proposal (“**RFP**”), you should carefully read and understand the Term Sheet attached to the RSA.

**Request for Proposals**

**A. Scope of Services**

- Monitoring and collaborating with the servicer to ensure servicer duties are adequately completed.
- Reviewing the performance of the New Bond Collateral, including the portfolio loans to ensure that loan payments are being made and if not, why not.
- Preparing and delivering semiannual reports on the performance of the New Bond Collateral to the bondholders and Issuer.
- Reviewing the collection account to ensure proper, complete and timely deposits are being made by the servicer.
- Ensuring the servicer has properly transmitted funds to the trustee and has provided the trustee with the necessary information needed to pay the bondholders.
- Requesting, and receiving, from the servicer information (including through written information and in-person meetings) on the New Bond Collateral.
- Informing other deal participants, such as tax accountants and other collection parties, as to the accurate collection amounts.

Any Supporting Bondholder that effectuates a Transfer in compliance with the foregoing shall have no liability under this RSA arising from or related to the failure of the transferee to comply with the terms of this RSA.

For these purposes, a “**Qualified Marketmaker**” means an entity that (x) holds itself out to the public or applicable private markets as standing ready in the ordinary course of its business to purchase from customers and sell to customers GDB Bonds or Claims against GDB (including debt securities or other debt) or enter with customers into long and short positions in GDB Bonds or Claims against GDB (including debt securities or other debt), in its capacity as a dealer or market maker in such GDB Bonds or Claims against GDB, (y) is in fact regularly in the business of making a market in Claims against issuers or borrowers (including debt securities or other debt); and (z) is registered with the Securities and Exchange Commission (“**SEC**”) and the Financial Institutions Regulatory Authority.

(iii) Additional Claims. This RSA shall in no way be construed to preclude any Supporting Bondholder from acquiring additional GDB Bonds or related Claims; provided that (A) any such acquired GDB Bonds or related Claims shall automatically and immediately upon acquisition by a Supporting Bondholder be deemed subject to all of the terms of this RSA (including the obligations of the Supporting Bondholders under this Section 4) and (B) after such acquisition, such Supporting Bondholder shall notify its counsel, if any, of the amount and types of GDB Bonds or Claims it has acquired (1) on no less than a monthly basis and (2) additionally, upon the reasonable request of its counsel, if any.

(c) In addition, no later than the first (1st) business day of each month, and upon the GDB’s or AAFAF’s reasonable request, each Material GDB Bondholder Group and Supporting Bondholder not part of a Material GDB Bondholder Group shall provide or cause its counsel to provide its holdings (aggregate holdings, in the case of a Material GDB Bondholder Group) to the Notice Parties.

(d) Forbearance.

(i) During the period commencing on the date hereof and ending on the termination of this RSA in accordance with its terms, each Supporting Bondholder

hereby agrees to forbear from exercising, or consenting to the exercise of, or directing or otherwise directly or indirectly causing the exercise of any of the rights and remedies available to the Supporting Bondholders (or any GDB Bondholder) or the Trustee under the Trust Agreement with respect to any defaults or events of default including, without limitation, any action to accelerate, or join in any request for acceleration of the GDB Bonds or commencing, prosecuting, joining, interceding in, supporting, or otherwise participating, in each case, directly or indirectly, in any way in any legal proceedings against GDB, AAFAF, the Government of Puerto Rico or any other agency, instrumentality, or municipality thereof, or any current or former officer or director of such Puerto Rico governmental bodies, in respect of the GDB Bonds (“**Remedial Action**”). The Supporting Bondholders hereby request that during the Support Period any applicable administrative agent or indenture trustee not take, and direct such administrative agent or indenture trustee not to take, any Remedial Action with respect to any defaults or events of default, and shall, upon request of GDB, provide such further direction to any administrative agent or indenture trustee as may be necessary to effectuate the intent of the foregoing. The Supporting Bondholders further agree that if any applicable administrative agent or indenture trustee takes any action inconsistent with such Supporting Bondholders’ obligations under this RSA, such Supporting Bondholder shall use its commercially reasonable efforts to require such administrative agent or indenture trustee to cease and refrain from taking any such action (including, by written notice to the indenture trustee, rescinding and canceling such acceleration to the fullest extent permitted under the Trust Agreement).

(ii) The foregoing forbearance shall not be construed to impair the ability of the Supporting Bondholders or the indenture trustee to exercise any rights or remedies under the Trust Agreement or take any Remedial Action, without requirement for any notice, demand, or presentment of any kind, at any time after the Support Period, and, except as provided herein, nothing shall restrict, impair, or otherwise affect the exercise of the Supporting Bondholders’ or the indenture trustee’s rights under this RSA, the Trust Agreement or the GDB Bonds.

(iii) For the avoidance of doubt, the forbearance set forth in this Section 4(d) shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Supporting Bondholders or the Trustee under the Trust Agreement or GDB Bonds and shall not, except as expressly set forth herein, alter, modify, amend, or in any way affect any of the terms, conditions, obligations, covenants, or agreements contained in the Trust Agreement or the GDB Bonds or any other provision of the Trust Agreement or the GDB Bonds, all of which are ratified and affirmed in all respects and shall continue in full force and effect. The forbearance set forth in this Section 4(d) shall not bar any Supporting Bondholder from filing a proof of claim or taking action to establish the amount of its Claim. If the transactions contemplated hereby are not consummated or if this RSA is terminated for any reason, the Parties fully reserve any and all of their rights.

(e) The Supporting Bondholders agree to provide prompt written notice to the Notice Parties between the date hereof and the Effective Date of (i) receipt of any notice that is not publicly available of any judicial proceeding commenced, or, to the actual knowledge of

any Supporting Bondholder, threatened in writing against any Supporting Bondholder, relating to or involving or otherwise affecting in any material respect the transactions contemplated by the Restructuring, and (ii) any failure of any Supporting Bondholder to comply with or satisfy, in any material respect, any covenant, condition, or agreement hereunder.

(f) The agreements of the Supporting Bondholders in this Section 4 shall be solely on such Supporting Bondholders' own behalf and not on behalf of any other Supporting Bondholders and shall be several and not joint.

(g) Notwithstanding anything in this Agreement, each Supporting Bondholder is entitled to act to protect its interests as holders of other obligations issued by the Government of Puerto Rico or any of its instrumentalities (other than GDB).

(h) During the period commencing on the date hereof and ending on the termination of this RSA in accordance with its terms, any Supporting Bondholder or the Trustee may take any action that is not a Remedial Action before any court, tribunal, or adjudicative agency, at law or in equity, that any such Supporting Bondholder or the Trustee deems necessary or appropriate to enforce, preserve, protect, or defend any rights, claims, defenses, security interests, collateral, pledges of assets, liens, property rights, privileges, or benefits under the Bond Documents, any other contract or agreement, or any source of law that any such Supporting Bondholder or Trustee may have (the "**Rights**") against any challenge, limitation, infringement, assertion of priority, or claim (a "**Permitted Action**"). For the avoidance of doubt, Permitted Actions do not include any Remedial Action or any other action otherwise barred by Section 4 of this Agreement, but may include, without limitation, (i) defending, intervening in or filing pleadings and other documents in any legal proceedings relating to any such Rights; (ii) sending notices to any persons, governmental authorities or entities concerning the existence of any such Rights; (iii) directing the Trustee to take any action to enforce, preserve, protect or defend any such Rights (other than by a Remedial Action); (iv) appearing and participating as a party in interest in any matter to be adjudicated or decided in any bankruptcy, insolvency or similar proceeding concerning GDB or the adjustment of Claims against GDB, the Government of Puerto Rico or any other agency, instrumentality or municipality thereof; (v) commencing or continuing any action (other than any Remedial Action or any other action otherwise expressly barred by Section 4 of this Agreement) in any court or tribunal against any person or entity asserting claims relating to the Rights or Bond Documents; or (vi) otherwise preserving any of the rights, remedies, positions or defenses of such Supporting Bondholder or the Trustee, all of which are hereby expressly reserved. Notwithstanding the foregoing, the Supporting Bondholders shall not propose, file, support, or take any other action in furtherance of any restructuring, workout, plan of adjustment for GDB other than the Restructuring, including, for the avoidance of doubt, making or supporting any filings with the District Court in a Title III case or other tribunal, or any regulatory agency, or making or supporting any public statements with respect to any restructuring, workout, or plan of adjustment for GDB other than the Restructuring. Notwithstanding anything to the contrary in this Agreement, the plaintiffs in Brigade Leveraged Capital Structures Fund Ltd., et al. v. Garcia-Padilla et al., No. 16-CV-1610, pending in the U.S. District Court for the District of Puerto Rico and Trigo Gonzalez, et al. v. Garcia Padilla, et al., No. 16-CV-02257, pending in the U.S. District Court for the District of Puerto Rico shall be entitled to (i) seek to stay or to extend any pending deadline in such

actions; (ii) to the extent such actions are not subject to a stay under 11 U.S.C. § 362 or 11 U.S.C. § 922 (in each case, as made applicable by Title III of PROMESA) or a stay ordered by the court upon stipulation or motion of the parties, take any action that is required to be taken under any pending deadline. For the avoidance of doubt, the plaintiffs in the foregoing litigations or any other Supporting Bondholder are not permitted to seek relief from the automatic stay in such litigations.

(i) Subject to the express terms of this Agreement, including Section 13, the Supporting Bondholder shall not be prohibited from taking any action that any such Supporting Bondholder shall deem necessary or appropriate to preserve, protect or defend any of its rights under this Agreement, the Plan or the Definitive Documents.

(j) Except as expressly provided herein, none of (i) the existence, execution, delivery or performance of any term or provision of this Agreement, (ii) any failure by any Supporting Bondholder to object to any document or action contemplated by or taken under or in connection with this Agreement, or (iii) any action taken under or in connection with this Agreement, including any approvals or consents to any action or document, shall (A) constitute a modification or relinquishment of any term or aspect of, or any right or remedy under or with respect to, the Bond Documents or any other document (other than this Agreement to the extent expressly provided herein) or under applicable law; (B) constitute a consent to, waiver of, or admission of any default or event of default (or the absence of a default or event of default) in any of the Bond Documents; (C) extend the due date of any obligations under the Bond Documents or otherwise affect the enforceability of such obligations; (D) give rise to any obligation to extend, amend, waive or otherwise modify any term or condition of any of the applicable Bond Documents, or in the case of the Supporting Bondholders, to direct the Trustee with respect to any of the foregoing; or (E) give rise to any defenses or counterclaims to the GDB Bonds or any Bond Document, or to any right of the Supporting Bondholders to direct the Trustee under the Bond Documents, to compel payment of the obligations under any of the applicable Bond Documents or to otherwise enforce rights or remedies thereunder or under applicable law. Except as expressly limited herein, each of the Supporting Bondholders and GDB hereby expressly reserves all of its rights, remedies, positions and defenses under or with respect to the Bond Documents and under applicable law, and waives none. From and after the termination of this Agreement as to any Supporting Bondholder, (x) each such Supporting Bondholder (each, a “**Terminated Bondholder**”) shall be entitled to protect, defend, enforce and assert any of its rights, remedies, positions and defenses under or with respect to the Bond Documents, in accordance with their respective terms, or under applicable law, including without limitation, commencing legal proceedings and (y) GDB shall, subject to its obligations under this Agreement to the remaining Parties, be entitled to protect, defend, enforce and assert any of its rights, remedies, positions and defenses under or with respect to the Bond Documents, in accordance with their respective terms, or under applicable law, including without limitation, commencing legal proceedings, solely against the Terminated Bondholder, as applicable. GDB acknowledges that no Supporting Bondholder has made any representations as to what actions, if any, any Supporting Bondholder will take after this Agreement terminates as to such Supporting Bondholder (including by withdrawal).

(k) Except as expressly provided in this Agreement, including the Plan and any Definitive Document, each Supporting Bondholder shall in no way be required as a result

of this Agreement to expend any cash resources or assume any additional risk or liability (including, for the avoidance of doubt, indemnifying the Trustee) in support of the Plan or this Agreement.

## **5. Agreements of GDB.**

Prior to and during the Support Period, subject to the terms and conditions hereof, GDB agrees that it shall:

(a) (i) act in good faith and use commercially reasonable efforts to support and complete successfully the Solicitation in accordance with the terms of this RSA, (ii) do all things reasonably necessary and appropriate, including considering actions reasonably requested by the Requisite Bondholders, in furtherance of confirming the Plan and consummating the Restructuring and the transactions contemplated thereby in accordance with, and within the time frames contemplated by, this RSA (including within the deadlines set forth in Section 6); provided that GDB shall not be obligated to agree to any modification of any document that is inconsistent with the Restructuring Term Sheet, (iii) not take any action directly or indirectly that is inconsistent with, or that would reasonably be expected to prevent, interfere with, delay or impede (A) the approval contemplated by section 601(f) of PROMESA, (B) the Solicitation of votes on the Plan and (C) the confirmation and consummation of the Plan and the Restructuring, including, without limitation, soliciting or causing or allowing any of its agents or representatives to solicit an Alternative Transaction other than the Restructuring, or initiating any proceeding under any bankruptcy, insolvency or similar law or any other action or proceeding that seeks to adjust, extend or challenge the claims of the Supporting Bondholders pursuant to any federal, state or Puerto Rico statute, now or hereinafter enacted into law, except for any such proceeding to implement the Restructuring and (iv) not, nor encourage any other person to, take any action which would, or would reasonably be expected to, breach or be inconsistent with this RSA, including any action that would cause a Bondholder Termination Event or delay, impede, appeal, or take any other negative action, directly or indirectly, or encourage any other entity to interfere with the acceptance or implementation of the Restructuring or delay the time frames contemplated by this RSA (including within the deadlines set forth in Section 6);

(b) provide draft copies of all material motions, applications, and other documents (including the Plan and any disclosure statement, any proposed amended version of the Plan or any disclosure statement, and any first day pleadings, if applicable) GDB intends to file with the District Court to the Creditor Notice Parties, at least two (2) calendar days before the date when GDB intends to file any such motion, application, or other document (and, if not reasonably practicable, as soon as reasonably practicable before filing) and shall consult in good faith with such Creditor Notice Parties regarding the form and substance of any such proposed filing with the District Court and subject to Section 4(a), nothing in this RSA shall restrict, limit, prohibit, or preclude, in any manner not inconsistent with its obligations under this RSA, any of the Supporting Bondholders from appearing in the District Court with respect to any motion, application, or other documents filed by GDB and objecting to, or commenting upon, the relief requested therein;

(c) provide to the Supporting Bondholders and/or their respective professionals, upon reasonable advance notice to GDB, (i) reasonable access to the respective management and advisors of GDB for the purposes of evaluating GDB's finances and operations and participating in the planning process with respect to the Restructuring and (ii) timely and reasonable responses to all reasonable diligence requests; provided that the Supporting Bondholders understand and agree that GDB may refuse to provide a Supporting Bondholder with any confidential information if such Supporting Bondholder is not a party to a confidentiality agreement on substantially the same terms as a confidentiality agreement previously agreed to by such party or such other confidentiality agreement approved by GDB;

(d) operate its businesses without material change in such operations or disposition of material assets (unless in such instance, the Requisite Bondholders have consented thereto in writing) in accordance with its business judgment and the terms of the Fiscal Plan;

(e) use commercially reasonable efforts to preserve in accordance with the Fiscal Plan its business organization, keep available the services of its current officers and material employees (in each case, other than voluntary resignations, terminations for cause, or terminations consistent with applicable fiduciary duties and the Fiscal Plan), preserve in all material respects its relationships with depositors, vendors, representatives, government officials and others, in each case, having material business dealings with GDB (other than terminations for cause or consistent with applicable fiduciary duties and the Fiscal Plan); provided that nothing herein shall be construed to limit or cause GDB to operate in any manner that would violate the terms of the Fiscal Plan;

(f) provide, within two (2) business days, written notice to the Creditor Notice Parties between the date hereof and the Effective Date of (i) receipt of any notice that is not publicly available of any judicial proceeding commenced, or threatened in writing against GDB, relating to or involving or otherwise affecting in any material respect the transactions contemplated by the Restructuring and (ii) any failure of GDB to comply with or satisfy, in any material respect, any covenant, condition, or agreement hereunder; and

(g) provide a copy of any written offer or proposal for an Alternative Transaction received to the Creditor Notice Parties within two (2) business days of GDB's or its advisors' receipt of such offer or proposal.

## **6. Termination of RSA.**

This RSA shall automatically terminate as to a Supporting Bondholder two (2) business days after the delivery of written notice to the other Parties (in accordance with Section 24) from such Supporting Bondholder (a "**Terminating Bondholder**") at any time after and during the continuance of any Bondholder Termination Event enumerated in Section 6(a); provided that this RSA shall be deemed to have been terminated only as to such Terminating Bondholder, and this RSA shall continue in full force and effect in respect to all other Supporting Bondholders, unless and until the remaining Supporting Bondholders party to this Agreement in addition to any other holders of Participating Bond Claims (as defined in the Restructuring Term Sheet) party to any other Qualifying RSA (collectively, the "**Supporting Holders of**

**Participating Bond Claims**”) cease to constitute the Majority Bondholders (or such lower threshold as determined by the Requisite Bondholders) for a period of 30 consecutive calendar days, at which time this RSA shall terminate automatically as to all Parties. No GDB Bondholder shall have any liability to any other GDB Bondholder arising from or related to the termination of this RSA pursuant to its terms. In addition, this RSA shall automatically terminate two (2) business days after the delivery of notice from GDB to the Supporting Bondholders (in accordance with Section 24) at any time after the occurrence and during the continuance of any GDB Termination Event enumerated in Section 6(b). This RSA shall terminate automatically without any further required action or notice on the Effective Date.

(a) A “**Bondholder Termination Event**” shall mean any of the following:

(i) The breach in any material respect by GDB of any of the undertakings, representations, warranties, or covenants of GDB set forth herein which remains uncured for a period of five (5) business days after the receipt of written notice of such breach pursuant to this Section 6 and in accordance with Section 24 (as applicable) from holders of a majority of outstanding principal amount of GDB Bonds of any one of the groups described in clauses (A)-(C) of the definition of “Requisite Bondholders”.

(ii) At 11:59 p.m. Eastern Time sixty (60) calendar days after the Support Effective Date, unless the Oversight Board on behalf of GDB has certified the Plan as a Qualifying Modification (as defined in PROMESA) pursuant to either section 601(g)(1) or 601(g)(2) of PROMESA (the date on which such commencement or certification occurs, as applicable, the “**Certification Date**”).

(iii) At 11:59 p.m. Eastern Time one hundred (100) calendar days after the Certification Date, unless solicitation of the Qualifying Modification has been completed in accordance with section 601(h)(1) of PROMESA.

(iv) At 11:59 p.m. Eastern Time one hundred and twenty (120) calendar days after the Certification Date, unless the District Court shall have entered the Confirmation Order in form and substance reasonably satisfactory to GDB, AAFAF, and the Requisite Bondholders.

(v) At 11:59 p.m. Eastern Time on the date that is thirty (30) calendar days after the date of entry of the Confirmation Order (the “**Outside Date**”), unless the Effective Date shall have occurred.

(vi) The Plan or disclosure statement is withdrawn, or GDB, or the Oversight Board or AAFAF, files any motion or pleading with the District Court that is not consistent with this RSA or the Restructuring Term Sheet in any material respect, and such motion or pleading has not been withdrawn before the earlier of (A) two (2) business days after GDB receives written notice from the Requisite Bondholders (in accordance with Section 24) that such motion or pleading is inconsistent with this RSA or the Restructuring Term Sheet in any material respect and (B) entry of an order of the District Court approving such motion or pleading.

(vii) The District Court or any other applicable court of competent jurisdiction directs the appointment of a receiver or otherwise places GDB into receivership;

(viii) The District Court grants relief that is (A) inconsistent with this RSA or the Restructuring Term Sheet in any respect that is materially adverse to the Supporting Bondholders or (B) would, or would reasonably be expected to, materially frustrate the purposes of this RSA, including by preventing the consummation of the Restructuring, unless GDB, or the Oversight Board or AAFAF, has sought a stay of such relief within five (5) business days after the date of such issuance, and such order is stayed, reversed, or vacated within ten (10) business days after the date of such issuance, except if such relief is granted pursuant to a motion by any Supporting Bondholder.

(ix) GDB, or the Oversight Board or AAFAF, files, propounds, or otherwise supports any restructuring, plan or reorganization or plan of adjustment inconsistent with the Restructuring Term Sheet or fails to timely file with the District Court a statement that it does not support any such restructuring, plan or reorganization or plan of adjustment that has been filed with the District Court.

(x) GDB, or the Oversight Board or AAFAF, files, propounds, or otherwise supports any motion, application or agreement seeking to sell all or a material portion of GDB's assets.

(xi) GDB, or the Oversight Board or AAFAF, files, propounds, or otherwise supports or fails to timely object to any motion or pleading challenging the amount or validity of any GDB Bonds or any related Claim.

(xii) GDB, or the Oversight Board or AAFAF on behalf of GDB, commences a proceeding under any applicable bankruptcy, insolvency or similar law other than a proceeding (including under Title III of PROMESA) to confirm and enforce the material terms of the Restructuring.

(xiii) Any of the Definitive Documents shall have been modified in a manner adverse in any material respect to any Supporting Bondholder, without prior written consent of the Requisite Bondholders.

(xiv) Parties other than the Supporting Bondholders foreclose on, attempt to seize or exercise remedies with respect to a lien on any assets of GDB having a fair market value in excess of \$10 million in the aggregate.

(xv) Any court of competent jurisdiction or other competent governmental or regulatory authority issues a ruling, judgment or order making illegal or otherwise preventing or prohibiting the consummation of the Restructuring, which ruling, judgment or order has not been reversed or vacated within thirty (30) business days after such issuance and is not subject to a stay.

(xvi) The District Court or other court of competent jurisdiction enters an order denying confirmation of the Plan.

Notwithstanding any provision in this RSA to the contrary, upon written consent of the Requisite Bondholders, each of the dates set forth in Section 6(a) may be extended prior to or upon such date and such later dates agreed to in lieu thereof and shall be of the same force and effect as the dates provided herein; provided that in the event that such a Supporting Bondholder (“**Non-Extending Bondholder**”) does not consent to such an extension, but such extension receives the consent of the Requisite Bondholders, this RSA shall be deemed to have been terminated only as to such Non-Extending Bondholder, but this RSA shall continue in full force and effect in respect to all other Supporting Bondholders, unless and until the remaining Supporting Holders of Participating Bond Claims cease to constitute Majority Bondholders (or such lower threshold as determined by the Requisite Bondholders) for a period of 30 consecutive calendar days. No GDB Bondholder shall have any liability to any other GDB Bondholder arising from or related to any extensions pursuant to the terms of this RSA.

(b) A “**GDB Termination Event**” shall mean any of the following:

(i) The breach in any material respect by one or more of the Supporting Bondholders of any of the undertakings, representations, warranties, or covenants of the Supporting Bondholders set forth herein in any material respect which remains uncured for a period of five (5) business days after the receipt of written notice of such breach pursuant to this Section 6 and Section 24 (as applicable), but only if the non-breaching Supporting Holders of Participating Bond Claims constitute less than the Majority Bondholders for a period of 30 consecutive calendar days.

(ii) The Supporting Bondholders fail to comply with Section 4(d) hereof.

(iii) The District Court grants relief that is inconsistent with this RSA or the Restructuring Term Sheet in any respect that is materially adverse to GDB, except if such relief is granted pursuant to a motion supported or encouraged by GDB, AAFAF or the Oversight Board.

(iv) At 11:59 p.m. Eastern Time sixty (60) calendar days after the Support Effective Date, unless the Certification Date shall have occurred

(v) At 11:59 p.m. Eastern Time one hundred (100) calendar days after the Certification Date, unless solicitation of the Qualifying Modification has been completed in accordance with section 601(h)(1) of PROMESA.

(vi) At 11:59 p.m. Eastern Time one hundred and twenty (120) calendar days after the Certification Date, unless the District Court shall have entered the Confirmation Order in form and substance reasonably satisfactory to GDB, AAFAF, and the Requisite Bondholders.

(vii) At 11:59 p.m. Eastern Time on the date that is thirty (30) calendar days after the date of entry of the Confirmation Order, unless the Effective Date shall have occurred.

(viii) The issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling, judgment, or order enjoining the consummation of or rendering illegal the Restructuring, which ruling, judgment, or order has not been not stayed, reversed, or vacated within ten (10) business days after such issuance.

(ix) Commencing on the Certification Date, and at any time thereafter, the Supporting Holders of Participating Bond Claims do not beneficially own or control at any time sufficient amount of GDB Bonds to constitute the Majority Bondholders for a period of 30 consecutive calendar days.

(x) The District Court or other court of competent jurisdiction enters an order denying confirmation of the Plan.

(xi) The governing board of directors of GDB adopts a resolution determining, after consultation with counsel, that materially changed circumstances exist creating a material impediment to effectuating the Restructuring as a Qualifying Modification under PROMESA or otherwise to consummating the Restructuring, thereby warranting a termination of this Agreement as a result of the board's fiduciary or statutory duties.

(c) Mutual Termination. This RSA may be terminated by mutual agreement of GDB and the Requisite Bondholders upon the receipt of written notice delivered in accordance with Section 24.

(d) Effect of Termination. Subject to the provisions contained in Section 14, upon the termination of this RSA in accordance with this Section 6, this RSA shall become void and of no further force or effect and each Party shall, except as otherwise provided in this RSA, be immediately released from its respective liabilities, obligations, commitments, undertakings, and agreements under or related to this RSA, shall have no further rights, benefits, or privileges hereunder, and shall have all the rights and remedies that it would have had and shall be entitled to take all actions, whether with respect to the Restructuring or otherwise, that it would have been entitled to take had it not entered into this RSA and no such rights or remedies shall be deemed waived pursuant to a claim of laches or estoppel; provided that in no event shall any such termination relieve a Party from liability for its breach or non-performance of its obligations hereunder before the date of such termination.

(e) Automatic Stay. GDB acknowledges and agrees that the giving of notice of termination by any Party pursuant to this RSA shall not be a violation of the stay set forth in PROMESA; provided that nothing herein shall prejudice any Party's rights to argue that the giving of notice of termination was not proper under the terms of this RSA.

**7. Definitive Documents; Good Faith Cooperation; Further Assurances.**

Each Party hereby covenants and agrees to cooperate with each other in good faith in connection with, and shall exercise commercially reasonable efforts with respect to, the pursuit, approval, implementation, and consummation of the Restructuring as well as the negotiation, drafting, execution, and delivery of the Definitive Documents. Upon written confirmation of an agreement (which confirmation may be by email) among the GDB Parties and the Requisite Bondholders on, and finalization of, the Definitive Documents, this RSA shall automatically be deemed amended to replace the Restructuring Term Sheet with the Definitive Documents as **Exhibit A** hereto and all references in this Agreement to the Restructuring Term Sheet shall be deemed to be references to the Definitive Documents, as applicable. Furthermore, subject to the terms hereof, each of the Parties shall take such action as may be reasonably necessary or reasonably requested by the other Parties to carry out the purposes and intent of this RSA, and shall refrain from taking any action that would frustrate the purposes and intent of this RSA.

**8. Representations and Warranties.**

(a) Each Party, severally (and not jointly), represents and warrants to the other Parties that the following statements are true and correct as of the date hereof (or as of the date a Supporting Bondholder becomes a party hereto):

(ii) Except in the case of a Party that is an individual, such Party is validly existing and in good standing under the laws of its jurisdiction of incorporation or organization and has all requisite corporate, partnership, limited liability company or similar authority to enter into this RSA and carry out the transactions contemplated hereby and perform its obligations contemplated hereunder. The execution and delivery of this RSA and the performance of such Party's obligations hereunder have been duly authorized by any necessary corporate, limited liability company, partnership, or other similar action on its part.

(iii) The execution, delivery, and performance by such Party of this RSA does not and will not (A) violate any material provision of law, rule, or regulation applicable to it or its charter or bylaws (or other similar governing documents), or (B) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any material contractual obligation to which it is a party, except, in the case of GDB, for the filing of a Qualifying Modification with the District Court pursuant to Title VI of PROMESA.

(iv) The execution, delivery, and performance by such Party of this RSA does not and will not require any material registration or filing with, consent or approval of, or notice to, or other action, with or by, any federal, state or governmental authority or regulatory body, except the filing of documents with the District Court as required by this RSA to effect the Restructuring and such filings as may be necessary or required by the SEC.

(v) This RSA is the legally valid and binding obligation of such Party, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium, or other similar laws relating to or limiting creditors' rights generally, concepts of reasonableness and general equitable principles.

(b) Each Supporting Bondholder severally (and not jointly) represents and warrants to GDB that, as of the date hereof (or as of the date such Supporting Bondholder becomes a party hereto), such Supporting Bondholder (i) is the registered or beneficial owner of the aggregate principal amount of the GDB Bonds set forth below its name on the signature page hereto (or below its name on the signature page of a Joinder Agreement for any Supporting Bondholder that becomes a party hereto after the date hereof) and has (A) sole investment and voting discretion with respect to such GDB Bonds, (B) full power and authority to vote on and consent to matters concerning such GDB Bonds and to exchange, assign, and Transfer such GDB Bonds, and (C) full power and authority to bind or act on the behalf of any other beneficial owner(s) and (ii) is, and any other such other beneficial owner(s) is, an accredited investor as such term is defined in Rule 501(a) of Regulation D under the Securities Act.

**9. Disclosure; Publicity.** GDB shall endeavor to submit drafts to the Creditor Notice Parties of any press releases, public documents, and any and all filings with the SEC and/or any state or Commonwealth governmental agency regarding this RSA or any of the transactions contemplated hereunder at least two (2) business days before making any such disclosure. Except as required by applicable law or otherwise permitted under the terms of any other agreement between GDB and any Supporting Bondholder, no Party or its advisors shall disclose to any person or entity (including, for the avoidance of doubt, any other Supporting Bondholder), other than advisors to GDB, the identity of any Supporting Bondholder and/or the principal amount or percentage of GDB Bonds held by the applicable Supporting Bondholder, in each case, without such Supporting Bondholder's prior written consent; provided that (a) if such disclosure is required by law, subpoena or other legal process or regulation, the disclosing Party shall afford the relevant Supporting Bondholder a reasonable opportunity to review and comment before such disclosure and shall take all reasonable measures to limit such disclosure, (b) the foregoing shall not prohibit the disclosure of the aggregate percentage or aggregate principal amount of GDB Bonds held by all Supporting Bondholders collectively and (c) any Party may disclose information requested by a U.S. federal or state regulatory authority with jurisdiction over its operations to such authority without limitation or notice to any Party or other person or entity. Notwithstanding the provisions in this Section 9, any Party may disclose, to the extent consented to in writing by a Supporting Bondholder, such Supporting Bondholder's individual holdings. Any public filing of this RSA, with the District Court or otherwise, which includes executed signature pages to this RSA shall include such signature pages only in redacted form with respect to the holdings of each Supporting Bondholder (provided that the holdings disclosed in such signature pages may be filed in unredacted form with the District Court under seal).

**10. Amendments and Modifications.** Except as otherwise expressly set forth herein, this RSA (including the Restructuring Term Sheet and any exhibits or schedules hereto and thereto) and the Plan may not be waived, modified, amended, or supplemented except in a writing signed by GDB (or, if authorized, AAFAF on GDB's behalf) and the Requisite Bondholders; provided that (a) any modification, amendment or change to the definition of

“Supporting Bondholders” or “Requisite Bondholders” shall require the written consent of each Supporting Bondholder and (b) any waiver, change, modification, or amendment to this RSA, the Restructuring Term Sheet, or the Plan that adversely affects the treatment of any Supporting Bondholder compared to the treatment set forth in the Restructuring Term Sheet, or that provides more favorable treatment to any Supporting Bondholder compared to the treatment set forth in the Restructuring Term Sheet, may not be made without the written consent of each such materially adversely affected Supporting Bondholder. In the event that such an adversely affected Supporting Bondholder (“**Non-Supporting Bondholder**”) does not consent to a waiver, change, modification, or amendment to this RSA requiring its consent, but such waiver, change, modification, or amendment receives the consent of the Requisite Bondholders, this RSA shall be deemed to have been terminated only as to such Non-Supporting Bondholder, but this RSA shall continue in full force and effect in respect to all other Supporting Bondholders, unless and until the remaining Supporting Holders of Participating Bond Claims cease to constitute the Majority Bondholders (or such lower threshold as determined by the Requisite Bondholders) for a period of 30 consecutive calendar days, at which time this RSA shall terminate automatically as to all Parties. No GDB Bondholder shall have any liability to any other GDB Bondholder arising from or related to any waivers, modifications, amendments or supplements pursuant to the terms of this RSA.

**11. Effectiveness.** This RSA shall become effective and binding upon each Party upon the Support Effective Date; provided that copies of signature pages executed by Supporting Bondholders shall be delivered to (a) other Supporting Bondholders in a redacted form that removes such Supporting Bondholders’ holdings of the GDB Bonds and (b) O’Melveny and other advisors of either GDB or AAFAF in an unredacted form (to be held by O’Melveny and such other advisors on a professionals’ eyes only basis).

**12. Governing Law; Jurisdiction; Waiver of Jury Trial.**

(a) This RSA shall be construed and enforced in accordance with, and the rights of the Parties shall be governed by, the laws of the State of New York and PROMESA, without giving effect to the conflict of laws principles thereof; provided that any issues addressing the fiduciary or statutory duties of GDB or its governing board shall be governed by and construed in accordance with the laws of the Commonwealth of Puerto Rico. Each of the Parties irrevocably agrees that any legal action, suit, or proceeding arising out of or relating to this RSA (or the transactions contemplated hereby) brought by any Party or its successors or assigns shall be brought in any federal district court sitting in Puerto Rico and any appellate court from any thereof or, in the event such federal court does not have or accept jurisdiction, a Commonwealth court and any appellate court from any thereto (collectively, the “**Puerto Rico Courts**”), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Puerto Rico Courts for itself and with respect to its property, generally and unconditionally, with regard to any such proceeding arising out of or relating to this RSA and the Restructuring. Each of the Parties agrees not to commence any proceeding relating hereto or thereto except in any federal district court sitting in Puerto Rico, other than proceedings in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any Puerto Rico Court. Each of the Parties further agrees that notice as provided in Section 24 shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each of the Parties hereby irrevocably and unconditionally waives and agrees not

to assert that (i) a proceeding in any federal court sitting in the Puerto Rico district is brought in an inconvenient forum, (ii) the venue of such proceeding is improper or (iii) that any federal district court sitting in Puerto Rico and any appellate court from any thereof lacks jurisdiction over such proceeding or any party thereto. For the avoidance of doubt, the GDB Parties submit to the jurisdiction of any federal district court sitting in Puerto Rico and any appellate court from any thereof and irrevocably waive any immunity from suit in federal court that they may have for any action or proceeding arising out of or relating to this RSA and the Restructuring.

(b) Each Party hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in any legal proceeding directly or indirectly arising out of or relating to this RSA or the transactions contemplated hereby (whether based on contract, tort or any other theory).

**13. Specific Performance/Remedies.** The Parties understand and agree that money damages would be an insufficient remedy for any breach of this RSA by any Party, and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including attorneys' fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy. Specific performance and the right to terminate this Agreement in accordance with Section 6 of this Agreement shall be the sole and exclusive remedies for any breach of this RSA by any Party. Each Party hereby waives any requirement for security or the posting of any bond in connection with such remedies.

**14. Survival.** Notwithstanding the termination of this RSA pursuant to Section 6, Sections 9 and 12-24 shall survive such termination and shall continue in full force and effect in accordance with the terms hereof; provided that any liability of a Party for failure to comply with the terms of this RSA prior to the date of such termination shall survive such termination.

**15. Headings.** The headings of the sections, paragraphs, and subsections of this RSA are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this RSA.

**16. Successors and Assigns; Severability.** This RSA is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns, heirs, executors, administrators and representatives; provided that nothing contained in this Section 16 shall be deemed to permit Transfers of the GDB Bonds or any related Claims other than in accordance with the express terms of this RSA. If any provision of this RSA, or the application of any such provision to any person or entity or circumstance, shall be held invalid or unenforceable, in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this RSA shall continue in full force and effect. Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this RSA so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner so that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

**17. Several, Not Joint, Obligations.** The agreements, representations, warranties, and obligations of the Parties under this RSA are, in all respects, several and not joint.

**18. Relationship Among Parties.** Unless expressly stated herein, this RSA shall be solely for the benefit of the Parties, and no other person or entity shall be a third-party beneficiary hereof. No Party shall have any responsibility for any trading by any other entity by virtue of this RSA. No prior history, pattern, or practice of sharing confidences among or between the Parties shall in any way affect or negate this understanding and agreement. Except as expressly set forth herein or in the Restructuring Term Sheet, nothing in this RSA or the Restructuring Term Sheet shall be construed to affect any actual or potential claims arising from any obligation of the Government of Puerto Rico or any of its instrumentalities other than GDB. Nothing in this RSA or the Restructuring Term Sheet shall constitute or be construed as a waiver or release of any claims or causes of action against GDB or any of its affiliates prior to the Effective Date.

**19. Collateral Preservation.** All Parties to this RSA agree to use commercially reasonable efforts to take all actions reasonably necessary and reasonably within such Party's control to preserve the value of the New Bond Collateral (as defined in the Restructuring Term Sheet).

**20. Fees & Expenses.** GDB shall pay all reasonable documented fees and expenses incurred in connection with or related to the Restructuring and the New Bonds (as defined in the Restructuring Term Sheet) of the following professionals: (a) Davis Polk, as legal advisor to the Ad Hoc Group (and the fees and expenses of local counsel to the Ad Hoc Group), (b) Ducera Partners LLC, as financial advisor to the Ad Hoc Group, (c) Marichal, Hernández, Santiago & Juarbe, LLC, as legal advisor to Grupo ES, (d) González Torres & Co., CPA, PSC, as accounting advisor to Grupo ES, (e) Nevares, as legal advisor to Alianza, (f) HRML & Asociados, LLC, as legal advisor to Alianza, (g) Atlas Asset Management, LLC, as financial advisor to Alianza, Grupo ES, and other agreed entities (h) Picó & Blanco, as legal advisor to Bonistas del Patio, (i) Jorge Irizarry, as financial advisor to Bonistas del Patio and (j) Carlos Rodriguez, as financial advisor to Bonistas del Patio.

**21. Preservation of Rights.** Except as expressly provided in this Agreement with respect to a Qualifying Title III Plan,<sup>2</sup> the Parties do not waive or relinquish any rights, defenses and remedies, contractual or otherwise, under Title III or any other provision of PROMESA or any other law or regulation. Upon termination of this RSA, (i) no Party shall be precluded, by virtue of having been a Party to this Agreement or otherwise having engaged in negotiations regarding the Restructuring, from exercising any and all rights, defenses and remedies, whether contractual or otherwise, in connection with any proceeding under Title III or under any other provision of PROMESA or any other law or regulation and (ii) no provision of

<sup>2</sup> For the avoidance of doubt, no Title III Plan shall constitute a Qualifying Title III Plan without the consent of holders of 66 and 2/3% of GDB Bonds held by Supporting Noteholders that are "cooperativas" insured by COSSEC, and any such Qualifying Title III Plan shall implement the Restructuring in accordance with the Restructuring Term Sheet attached as Exhibit A hereto.

this Agreement or other document related to the Restructuring, or statement made during the negotiations thereof, shall be used against any Party in any proceeding under Title III or any other provision of PROMESA or otherwise. Notwithstanding the generality of the foregoing and for the avoidance of doubt, no Party shall be placed in a worse position in a Title III proceeding that does not implement the Restructuring (by virtue of being a party hereto), and in particular no Party shall be precluded from asserting any claim, right or defense, and each Party shall preserve each of its rights and defenses and shall not be impeded by this Agreement from bringing before any applicable court any available averment, defenses and priority allegation, including the assertion of priority rights under Puerto Rico Law Num. 40 of 2016, or from challenging or contesting any such rights, defenses, averments, defenses, priority allegations, whether under such law or otherwise, on any grounds.

**22. Prior Negotiations; Entire Agreement.** This RSA, including the exhibits and schedules hereto (including the Restructuring Term Sheet), constitutes the entire agreement of the Parties, and supersedes all other prior negotiations, with respect to the subject matter hereof and thereof, except that the Parties acknowledge that any confidentiality agreements executed between GDB and each Supporting Bondholder before the execution of this RSA shall continue in full force and effect.

**23. Counterparts.** This RSA may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Execution copies of this RSA delivered by PDF shall be deemed to be an original for the purposes of this paragraph.

**Restructuring Term Sheet**

**EXHIBIT A to  
Restructuring Support Agreement**

**Government Development Bank for Puerto Rico**

**OUTLINE OF TRANSACTION STRUCTURE FOR RESTRUCTURING OF GDB LIABILITIES**

This term sheet (the “Term Sheet”) is a summary of indicative terms and conditions for a proposed financial restructuring of GDB through a Qualifying Modification (the “Restructuring” or the “Qualifying Modification”) pursuant to Title VI of the Puerto Rico Oversight, Management and Economic Stability Act (“PROMESA”), of certain financial obligations of the Government Development Bank for Puerto Rico (“GDB”), including (i) bonds issued and outstanding pursuant to that certain trust indenture dated as of February 17, 2006 between GDB and Wilmington Trust, National Association, as successor trustee (the “Existing GDB Public Bonds”), and (ii) certain deposits and other outstanding obligations of GDB identified below.

This Term Sheet is solely for the purposes set forth in the Restructuring Support Agreement (the “RSA”) dated May \_\_, 2017 among GDB and certain holders of the Existing GDB Public Bonds, and acknowledged and agreed to by the Puerto Rico Fiscal Agency and Financial Advisory Authority (“AAFAF”), and, except to the extent provided in the RSA, does not constitute a commitment by any party, and in any event is subject to the terms and conditions hereof, including, without limitation, requisite approvals under Title VI of PROMESA and execution and delivery of definitive agreements (the “Definitive Documents”).

<b>Issuer of New Bonds</b>	<p><i>Special Purpose Entity.</i> The issuer of the New Bonds (as defined below) (the “<u>Issuer</u>”) will be a special purpose entity created by Puerto Rico statute as an instrumentality of Puerto Rico and structured in a manner similar to a conventional securitization vehicle. The form of the Issuer shall be acceptable to the Requisite Bondholders, as defined in the RSA (the “<u>RSA Requisite Bondholders</u>”).<sup>1</sup></p> <p><i>Trustee for New Bonds.</i> An indenture trustee will act for the benefit of holders of New Bonds and will be granted a lien on the New Bond Collateral (as defined below) for the benefit of the holders of New Bonds. The trustee (or, if necessary, a designated calculation agent or other service provider for certain tasks the trustee is unable or unwilling to perform) will perform administrative functions for the Issuer customary for transactions of this type.</p> <p><i>Asset Manager and Collateral Monitor.</i> The assets of the Issuer will be managed by a designated asset manager or servicer (the “<u>Asset Manager</u>”) pursuant to an asset management and servicing agreement with the Issuer (the “<u>Servicing Agreement</u>”). The identity of the initial Asset Manager and terms of the initial Servicing Agreement (including compensation) shall be acceptable to the RSA Requisite Bondholders.<sup>2</sup> A person satisfactory to the RSA Requisite</p>

<sup>1</sup> The type of entity used, its equity ownership and other structural elements of the Issuer will be subject to tax, Investment Company Act, accounting and other considerations. In the event that the proposed securitization structure cannot be implemented in a form that is acceptable to the RSA Requisite Bondholders, the New Bonds will be issued by GDB and secured so as to create for the benefit of the holders of the New Bonds as nearly as possible the same economic interests and protections provided for in this term sheet.

<sup>2</sup> If the Asset Manager is provided with an incentive compensation arrangement based on asset recoveries, the position of incentive compensation arrangements in the distribution waterfall shall be acceptable to the RSA

	<p>Bondholders (the “<u>Collateral Monitor</u>”) will be engaged by the indenture trustee on terms acceptable to the RSA Requisite Bondholders to monitor the condition and performance of the New Bond Collateral and provide a certification report semiannually.<sup>3</sup></p> <p>For more information regarding the structure of and governance of the Issuer and the Servicing Agreement, see <i>Structure and Governance of Issuer</i> below.</p>
<b>Participating Bond Claims</b>	<p>The holders (“<u>Holder</u>s”) of the following liabilities of GDB (the “<u>Participating Bond Claims</u>”), together with the Designated Depositor Claims (as defined below), will be subject to and bound by the Qualifying Modification pursuant to Title VI of PROMESA:</p> <ul style="list-style-type: none"> <li>• All claims for principal and accrued interest in respect of Existing GDB Public Bonds;</li> <li>• The deposit claims against GDB identified in Schedule 1 hereto;</li> <li>• The claims in respect of the outstanding letters of credit issued by GDB set forth on Schedule 2; and</li> <li>• The claims in respect of the outstanding guarantees issued by GDB set forth on Schedule 3.<sup>4</sup></li> </ul> <p>For the avoidance of doubt, liabilities of GDB that are not Participating Bond Claims (except for the Designated Depositor Claims) will not be the subject of the Qualifying Modification, but the Qualifying Modification shall be subject to and conditioned upon the treatment of such claims to the extent specified below.</p>

Requisite Bondholders. GDB will act as initial Asset Manager for a period not to exceed twelve (12) months from the Closing Date (such period, the “Transition Period”). A designated back-up servicer (the “Back-Up Asset Manager”), which shall be a “qualified” and “independent” (as such terms are defined in the Definitive Documents) firm of recognized national standing with the requisite expertise and Spanish speaking capability, and which is acceptable to GDB, AAFAF and the RSA Requisite Bondholders, will be engaged not later than the Closing Date to assume the responsibilities of the Asset Manager as soon as practicable and in any event before the end of the Transition Period, on arms-length, market terms in form and substance satisfactory to GDB, AAFAF, and the RSA Requisite Bondholders. The Back-Up Asset Manager will be selected by a competitive RFP process prior to the solicitation of holders of Participating Bond Claims, and GDB shall use commercially reasonable efforts to effectuate the transition of its duties as Asset Manager to the Back-Up Asset Manager as soon as practicable.

<sup>3</sup> The terms of engagement of the Collateral Monitor shall be in form and substance satisfactory to the RSA Requisite Bondholders, GDB, and AAFAF.

SECTION 5. Governing Law; Jurisdiction; Waiver of Jury Trial.

(a) This Amendment shall be construed and enforced in accordance with, and the rights of the Parties shall be governed by, the laws of the State of New York and PROMESA, without giving effect to the conflict of laws principles thereof; provided that any issues addressing the fiduciary or statutory duties of GDB or its governing board shall be governed by and construed in accordance with the laws of the Commonwealth of Puerto Rico. Each of the Parties irrevocably agrees that any legal action, suit, or proceeding arising out of or relating to this Amendment (or the transactions contemplated hereby) brought by any Party or its successors or assigns shall be brought in any federal district court sitting in Puerto Rico and any appellate court from any thereof or, in the event such federal court does not have or accept jurisdiction, a Commonwealth court and any appellate court from any thereto (collectively, the “Puerto Rico Courts”), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Puerto Rico Courts for itself and with respect to its property, generally and unconditionally, with regard to any such proceeding arising out of or relating to this Amendment and the Restructuring. Each of the Parties agrees not to commence any proceeding relating hereto or thereto except in any federal district court sitting in Puerto Rico, other than proceedings in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any Puerto Rico Court. Each of the Parties further agrees that notice as provided in Section 24 of the Agreement shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each of the Parties hereby irrevocably and unconditionally waives and agrees not to assert that (i) a proceeding in any federal court sitting in the Puerto Rico district is brought in an inconvenient forum, (ii) the venue of such proceeding is improper or (iii) that any federal district court sitting in Puerto Rico and any appellate court from any thereof lacks jurisdiction over such proceeding or any party thereto. For the avoidance of doubt, the GDB Parties submit to the jurisdiction of any federal district court sitting in Puerto Rico and any appellate court from any thereof and irrevocably waive any immunity from suit in federal court that they may have for any action or proceeding arising out of or relating to this Amendment and the Restructuring.

(b) Each Party hereby waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in any legal proceeding directly or indirectly arising out of or relating to this Amendment or the transactions contemplated hereby (whether based on contract, tort or any other theory).

SECTION 6. Execution of Agreement. This Amendment may be executed and delivered in any number of counterparts and by way of electronic signature and delivery, each such counterpart, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Except as expressly provided in this Amendment, each individual executing this Amendment on behalf of a Party has been duly authorized and empowered to execute and deliver this Amendment on behalf of such Party.

SECTION 7. Headings. The headings of all sections of this Amendment are inserted solely for the convenience of reference and are not a part of and are not intended to govern, limit, or aid in the construction or interpretation of any term or provision hereof.

SECTION 8. Continuing Effectiveness, etc. After giving effect to this Amendment, the Agreement shall remain in full force and effect and is hereby ratified, approved and confirmed in each and every respect. The amendments set forth herein are limited as written, and except as specifically provided in this Amendment, no other amendments, waivers, revisions or changes to the terms of the Agreement shall be made or permitted hereby. Upon the effectiveness of this Amendment, each reference in the Agreement to “this Agreement,” “hereunder,” “hereof,” or words of similar import shall mean and be a reference to the Agreement as amended hereby.
