Reserve	485,625,864				485,625,864

## Category: Private Sector Payroll Protection Program Cost: \$350,000,000.00

Description: To fund a private sector payroll protection program, which will reimburse private employers, subject to certain terms and conditions, up to 50% of the payroll that they continued to pay to their employees during the COVID-19 emergency, despite the fact that their operations have been interrupted by the COVID-19 emergency.

Restrictions: To be eligible, businesses must not have participated, or participate in the future in the program Paycheck Protection Program ("PPP") of the Small Business Administration ("SBA"). This program will only be available to companies with 500 employees or less and an annual gross income of \$10,000,000 or less. This will be a first come, first served basis program.

Lead Agencies: Department of the Treasury, DDEC and DTRH

# Category: Assistance Program to Small Businesses Cost: \$250,000,000.00

To provide emergency assistance of up to \$5,000 to each small business or micro-enterprise with between 2 and 49 employees, duly registered in the Merchants Registry of the Department **Description:** of the Treasury, for the losses caused by the interruption of operations caused by the COVID-19 emergency and/or for necessary expenditures related to COVID-19. This will be a first come, first served basis program. This includes non-profit organizations that provide direct assistance or services to the citizenry.

This aid would be subject to terms and conditions to ensure that its use is limited to matters related to the COVID-19 emergency. In addition, the entities that receive them may not use the funds to pay executive bonuses, or to refinance debt, or for other expenses determined to be ineligible. This program will not apply to entities that participate in other programs described in this plan, including the private sector payroll protection plan. Beneficiaries must spend the money on or before December 30, 2020.

Category: COVID-19 Testing and Contact Tracing Program Cost: \$150,000,000.00

Massive acquisition of COVID-19 tests (both rapid and molecular tests). Funding to continue and expand the contact tracing program to track and isolate people infected with or suspected of **Description**: being infected with the virus. This includes expenditures on the technological infrastructure to implement said programs. These acquisitions will be in addition to those that may be made under FEMA Category B.

Restrictions: Funds may only be used for eligible expenses. These funds may not be used for expenses that have been or will be reimbursed by other federal programs, including any from the Federal Emergency Management Agency ("FEMA").

## Category: Allocation to the Trust Fund of the Unemployment Fund of the Department of Labor and Human Resources Cost: \$150,000,000.00

To support and provide liquidity to the Unemployment Insurance Fund Trust of the Department of Labor and Human Resources to cover disbursements to people who have applied for state **Description:** unemployment benefits due to the emergency of COVID-19. This initial allocation seeks to provide assistance to this fund, which is under pressure due to the volume of requests submitted by employees affected by COVID-19. This money is separate from other federal unemployment benefits financed by other provisions of the CARES Act.

Restrictions: The funds can only be used to finance the state portion of unemployment benefits related to COVID-19. These funds will not be used to increase the current level of benefits. These funds may not be used for expenses that have been or will be reimbursed by other federal programs, including through other provisions of the CARES Act.

## Category: Assistance Program to Self-Employed Individuals Cost: \$200,000,000.00

Description: To provide a second round of emergency assistance to eligible self-employed individuals whose work has been interrupted as a result of the COVID-19 emergency. This assistance would be up to \$1,000 per individual.

Restrictions: Beneficiaries must be registered on the SURI platform of the Department of the Treasury and must certify that the services they provide have been affected and that they have suffered economic losses of at least \$1,000 due to the COVID-19 emergency. Beneficiaries must spend the money on or before December 30, 2020. This will be a first come, first served basis program.

#### Category: Acquisition of Materials and Personal Protective Equipment

### **Cost:** \$100,000,000.00

For the purchase of protective, disinfecting and cleaning equipment and materials to be distributed in all government facilities, including police headquarters, fire stations, government centers, facilities where services are provided, hospitals, schools, courts and others. This includes, but is not limited to, masks and respirators, gloves, face shields, hand sanitizers, alcohol, soap, disinfectants, thermometers, infrared cameras, wipes, and disinfection stations. This also includes minor renovations or construction works in public buildings to promote social distancing. The inclusion of the private and non-profit sector in the distribution of these materials and equipment will be evaluated, as the Government establishes a centralized distribution center. Purchases under this line will be additional to those eligible that can be made under FEMA category B.

Restrictions: Funds may only be used for eligible expenses. These funds may not be used for expenses that have been or will be reimbursed by other federal programs, including any from the Federal Emergency Management Agency ("FEMA").

Category:	: Assistance Program to Private Hospitals	
Cost:	\$150,000,000.00	
Description:	To provide emergency assistance (grants or short term loans) to private hospitals for necessary expenditures related to the COVID-19 emergency. The allocation to each institution will be based on a necessity standard.	
Restrictions:	These funds will only be available to cover necessary expenditures related to the COVID-19 emergency that have not been covered or reimbursed, or that will not be covered in the future, by other state, federal or private insurance programs that the institutions may have, including funds received through the CARES Act's Public Health and Social Services Emergency Fund. Entities that receive these funds will not be able to use them to pay executive bonuses, debt refinancing or other expenses that are determined to be ineligible. Likewise, the beneficiary entities must sign an agreement as part of the program in which they agree to return the money if it is determined in the future that they did not comply with any of the eligibility requirements. Beneficiaries must spend the money on or before December 30, 2020. This will be a first come, first served basis program.

#### Category: Remote Work Program of the Government of Puerto Rico

### **Cost:** \$40,000,000.00

To implement the remote or distance work program of the employees of the Government of Puerto Rico. This program will establish processes through which public employees can fulfill their workday and execute their tasks outside the regular office space as required to comply with COVID-19 health precautions. This also includes minor renovations or construction works in public buildings to promote social distancing. For this program, the funds can be used to purchase laptops, tablets, servers, hotspots and other equipment, as well as software and licenses that allow government operations to continue during the COVID-19 emergency. The Government will also evaluate providing a stipend to government employees who use their personal technological equipment as part of the remote work program.

Restrictions: Funds may only be used for eligible expenses. These funds may not be used for expenses that have been or will be reimbursed by other federal programs, including any from the Federal Emergency Management Agency ("FEMA").
